### Preschool (ages 3 to 5)

This group will learn the basics of gymnastics, engage in many activities with plenty of time to enjoy the facilities at Pulsars. Preschool campers participate in gymnastics activities designed to increase balance, agility, flexibility, strength, co-ordination, listening skills and to introduce basic skills such as cartwheels, somersaults, and shaped jumps.

### Gymnastics, Fitness & Fun

With added bonuses to broaden your child's horizons. We offer a wide variety of indoor & outdoor activities. Our camp is well supervised by certified, screened and safety trained staff. Campers will participate in gymnastics skills, arts & crafts, various offsite excursions, and outdoor activities. This camp is designed to be inclusive and highly engaging.

### Twister (ages 6 & up)

For this group there is an emphasis on developmental gymnastics skills. Twister campers participate in gymnastics activities designed to improve balance, agility, flexibility, strength, co-ordination, listening skills, and to refine basic skills such as handstands, landings from a height, and swings on bars/rings.

An Awesome Gymnastics Experience for boys & girls
